“ *She was my sister in every since of the word! We fought like sisters do and she looked after me like no other. Her sons were like my children and she exhibited an immense love for our family. My sister was generous (sometimes to a fault), kind, and caring. Now that she has her wings, she is no longer suffering and will be among the welcoming committee in heaven when the rest of our family joins her in heaven. RIP, Big Dee! Love you sis!!*

Thanks Ms. Gibson Annie Doris was well known in Moultrie and Dothan Alabama. I believe she was ready to leave this world . She heard God call her name she went too sleep. God was too wise to make a mistake too just to do wrong. I am her sister Marian Moore Singh people ask if she was sick my reply to him was a person do not have to be sick to die. Thanks

“ Mrs. Annie Moore to Some but to me, She’s my cousin Annie Doris. When I was Younger, She took me and my Siblings in with No hesitation. She cared for us, loved us, and Was there for us. When I got older, I was able to get back in touch with her. A Couple years ago, I told her Thank you for taking us in when I was younger. I let her know I appreciated what she done for us. She did something a lot of people didn’t have the heart to do. I will forever be grateful for what she done. This Breaks my heart to know she’s gone. But I know there’s no more Suffering and I know she’s in a better place. Sleep in Peace my Beautiful Cousin Annie Doris❤️❤️ You will never be forgotten 😭❤️
