“ *Bettye was a dear sister in Christ. We met when she became a student at Southwest Georgia Theological Seminary. She said excelled in her classes and shared her love for the Lord. In our last conversation she voiced the likelihood that her healing might be when she reached heaven. I can picture her running to meet Jesus!* ”

“ *Ma, I love you to the moon and back,
GOD is in charge that's a fact.
That was your saying nearing to the hour,
Over life and death HE has all power.
every second moment spent I appreciate
To see your lovely smile again I can't wait.
in the comfort in GOD'S LOVE rest on,
Find peace in heaven where you belong.* ”
