“ *I am so sad for the loss of my dear friend Billy here on earth, but Celebrate for his homecoming with our Lord and Savior. His heart was truly filled with love for his family ( wife), fellow man, friends, and kids.*

*I worked with him at RB Wright and he always had a smile on his face and a kind word to share about his family. He REALLY loved his football family and the MANY BOYS he coached at the recreation department and of course those CC Packers.*

*I will miss seeing him very much.*

*My prayers are with all of his family at this time.*

*Love,*

“ *The most humbleness guy I ever met. Great mentor, Always had a smile on his face. Did his best to lead our youth in the right direction. Coached my son in football. A lot of memories this guy and I shared together.*

“ Mr. Billy you were an inspiration to so many kids especially at RBW elementary and an inspiration to all the faculty and staff. I’ve missed our conversations every morning since I retired but when I would come over to the school I would always look forward to seeing and talking to you again. Now this just saddens my heart that I won’t have that opportunity anymore. You were too young to leave us this early but our Heavenly Father called you home for a reason. I know you will be everyone’s guardian angel and watch over your family and friends. I pray for your family to have peace and comfort and feel the Holy Ghost wrapping His arms around them as they go through this tough time.
