

Mr Billy Pace

February 12, 1956 - October 14, 2019

Life is a book in volumes of three - The past, the present, and the yet-to-be.
The past is written and laid away, The present we're writing every day, And
the last and best of volumes three Is locked from sight and God keeps the key.

It is with deep sympathy that the staff of Luke Strong and Son Mortuary
announce the earthly transition of the late:

Mr. Billy Pace of Moultrie Georgia was born on February 2, 1956 slipped away
from earth to glory in the presence of our loving God on Monday, October 14,
2019.

Funeral and Life Celebration Services in honor of his precious life are
currently incomplete at this time but will be announced at a later date.

I'm so sorry to learn of the passing of Billy. However please remember that our God never makes a mistake. Billy's looking down on his family, friends and loved ones he left behind. He's also preparing a place for all of them when our father calls us home.
