“ *Didn't see her a lot but when I did she was always pleasant.pleasant. I considered her Family, actually my cousin. Saw her last when we were in treatment together one day not long ago. Non of us knows the day or the hour. We should be kind and helpful to each other to each other as much as possible, at all times. We just never know what one can be going through... My Heartfelt Thoughts and Prayers go out to her Children, Siblings, Earthly Parents, other Family,and Friends 🙏🌸 #LoveUAll💕*
