“ *To My Dear Sister Myrtis! This is such a sad occasion and we never can prepare our hearts for such pain, but we know that this is just a temporary stop for Carolyn. Very soon our Heavenly Father, by means of Christ Jesus, will awake her from this deep sleep and it's "just around the corner". I will keep you in my prayers for strength and continued hope. Love you Sis!*

“ To the Mulkey Family,
I have so many fond memories of Carolyn. She and I were the financial officers for the Class of 66. We met, texted and emailed to get reports and the checkbook balanced. I always backed off when it came to balancing because I knew Carolyn would have it accurate to the penny. We laughed a lot together over the years and became even closer. I will miss her,our conversations and our humor that added spice to our getting the job done.

“ I worked with Carolyn at Moultrie National Bank back in the 70's. She was always the kindest and most precious person. I cherish all my memories of her then and in the years that followed. She always had a smile and we always enjoyed seeing each other around town and talking. Sending prayers to her devoted family and especially her sister with whom they were inseparable Diane Lanier
