“Doris Spry took me under her wing as a new nurse at the age of 20. She showed me how to care for my patients not only with my mind but with my heart!! She was and always will be one of the best nurses I have ever had the pleasure of knowing. She and I became very good friends too. My heart breaks as I think of her passing but I know where she has gone. I am at peace knowing she is an angel in heaven serving the Lord now. My thoughts and prayers are with her family!!
