“ Ms. Doris glad I got to know you as each month went by. Will miss all the Friday’s we went to Tifton have lunch at Olive Garden . Love sitting on your nice porch in rocking chairs making plans about working in our yards. Fussing with you about Lee helping me in my yards. Just spending time riding around out in the country getting ideas about flowers. December 5th 2021 you and I left for Vegas what a trip that was. Nice time for the most glad you made your last trip on a plane with me. You got me involved in becoming a Foster mom. We talked about our future life. Will miss being around you and listening to you give me advice about lots of things. Recall you saying Marian this might be my last time flying about to get the best out of me. I heard your call get ready time is getting near. God called your name and you answer on February 3rd 2022 . I am ready. May the life you lived speak for you. Rest In Peace your work is done. Will miss the times we shared enjoying talking about our flowers . My heart is sad life goes on. Your friend Marian Singh.

“ *To the family
Doris had a smile that was amazing. I
remember when we all lived on 2nd ave we
all went to her house to eat lemon meringue
pie and watch TV. Her home was always
open to our family. My sister said that she had the only TV with
color. She was an amazing lady. I will always remember her as an
advocate for children.*
