“ *I was shocked and saddened to hear that "Mannie" had passed away. I was immediately filled with regret that I hadn't seen him for a while. He was one of my "big babies" at school. Mannie was quite unique and you always knew that he loved his family and friends. I am blessed to have shared his time on earth; I love him and he seemed to love me as well. My prayer is that the sadness we are feeling today will soon be replaced with happy memories of his life. Rest in peace big guy; we love you but God loves you best.*
