“ *Girl friend it will soon be one year since you made your transition from earth to heaven. It seems like yesterday that you took your angel wings and left it all behind. Peter couldn't bare your loss anymore so he had to join his Boo. Going home will never be the same with you and Pete there. Family I will always keep you all lifted up in prayer. Rest in heaven our dear friend. You guys will never, ever be forgotten. Maxine and Carl Patilla*
