“ S I P Gloria 😭 Going to miss seeing you on this app. I wish somebody could removed you from that nursing home and let you stay with them and smoke all the cigarettes and eat all the food that you want. Maybe you will still of being here. It’s just a horrible loss being that you don’t wanna be they say you don’t know what’s wrong with her, but it could’ve been fixed with in-home care more than likely. 🤔
