I will say this if she was anything like you she showed compassion to everyone and would have been a joy to know her. We consider you as family to us. “ My heart is saddened with the loss of my friend, my inspiration, my comedian. She always had a different perspective and a pearl of wisdom for every situation. I enjoyed being in her company because she was like no other! She loved God and her family and it seemed, everyone she met. I am still in shock and filled with disbelief that she left to return no more! May God grant her family all the peace and strength that is needed to endure during this time of sorrow. May her precious memories live on in our hearts forever.

“ *Henrietta was a kind and friendly person. I will always remember the positive advice she gave. She saw the good in people and would express that with a smile on her face. I will remember her as a soldier who fought the good fight but she also “finished the race” and “kept the faith” (2 Timothy 4:7).*

“ Your Mother was one of the loveliest ladies I know. I can see her beautiful smile and hear her infectious laugh just by thinking about her. I am saddened by your loss, the loss of everyone who knew her. I worked with her for many years in the CC school system. It was a privilege, watching her love and care for the children she worked with. She will be missed by all who knew her. Henrietta was my friend in all the ways that count.
