“ Aunt Sally you were always my first stop whenever I hit moultrie. Brenda , Raymond and family . I am so sorry to hear of Momma's passing . You all know I loved her a lot and she was a very good friend - coworker for many years . She made my day by being at the office and sharing about things going on in her life and I shared mine with her ! Having you all present in my home was such a blessing too ! I have missed your family and I will continue praying for you all in this journey . She is at peace now and in no more pain ! Praise the Lord for her life and friendship . In Christian Love , Susan and family .
