“ I met Johnie at Riverside many years ago and we became friends from that point on. I moved from Georgia to Florida and one of my coworkers, that I had worked with for about 2 years...during one of our conversations, I mentioned Moultrie, found out, he spent his summers there as a kid with his grandmother. Johnie was his great Auntie. I was so happy and I called her immediately and informed her that there was something about the young man I worked with. It was the Thomas in him. Sorry to be long winded, but I will miss my friend, and I will miss stopping by her house for a quick visit when I was in town. Sleep in peace PeeWee!
