“ Memory: I remember spending a lot of time with her in Brooklyn as a little girl. So after I moved to GA from NY, many years after they did, Aunt Mable advised me on what brand of flour to use since they don't sell Aunt Jemima flour down here! She also gave advise on how to take care of plants and my plants are still thriving years later. Missing you Auntie.

“ *I initially met Ms. Mabel in the 80s when Dee was planning her wedding. She had an infectious smile that lit up the room. Over the years, we fellowshiped together at Dee's bridal shower, baby shower and during the holidays. I will never forget when she met my Mama in 2012 and they talked and laughed together.*

There is no pain like losing a Mother, so to Dee and Kenny, I say "Hold On To God's Unchanging Hand," You are in our thoughts and prayers.

“ *Mrs. Mable, I will always cherish the memories of coming across the street from my house to yours, playing with Dee-Dee and Al. Your home was a second home to me every Summer! You were the kindest, and sweetest person I've ever had the pleasure of knowing!!! Heaven has definitely received a beautiful Angel 😇 Rest In Peace! To the family, I extend my deepest condolences to you, and I'm praying for strength for you all!! Your Neighbor, Marcel*

My condolences and sincere sympathy to the family. Rest in peace Aunt Mable. You will truly be missed. You were the sweetest and kindest person I met in the family. I'll cherish the moments I spent with you and holding your hand as we listen to gospel music. Remembering the recipe you gave me a few weeks prior of making squash casserole! To the family, I'm praying for comfort and peace at this time of bereavement!

To a wonderful lady who was the best mother-in-law to my brother and who always had a smile and a recipe to share. Chayla, Chayana and I will certainly miss your presence at all of our special gatherings. What a beautiful difference your life made to all of us. Prayers to Dee and all of her family.
