*When I Must Leave You*

*When I must leave you  
For a little while-  
Please do not grieve  
And shed wild tears  
And hug your sorrow to you  
Through the years,*

*But start out bravely  
With a gallant smile;  
And for my sake  
And for my name  
Live on and do  
All things the same,*

*Feed not your loneliness  
On empty days,  
But fill each waking hour  
In useful ways,*

*Reach out your hand  
In comfort and in cheer  
And I in turn will comfort you  
And hold you near;*

*And never, never  
Be afraid to die  
For I am waiting for you in the sky!*
