“ *Miles and I go all the way back to childhood. We lived in the same four-unit multi-family housing project on 4th St near 9th Ave NW. We lived on one end, the Bridges on the other.*

We became good friends along with several others, as we were all in the William Bryant High School marching band, and later the Moultrie Senior High (now, Colquitt County). We enjoyed getting together for "jam sessions" inside the old band room on the William Bryant High School campus. Miles played a "mean" saxophone.

He will be missed.

To the family of Miles Bridges, please accept our deepest sympathies.
