“ *When I must leave you
for a little while
Please do not grieve
and shed wild tears
and hug your sorrow
to you through the years*

*Start out bravely
with a gallant smile
and for my sake
and in my name,
live on and do
all things the same*

*Feed not your loneliness
on empty days,
but fill each waking hour
in useful ways*

*Reach out your hand
in comfort and cheer,
and I in turn
will comfort you
and hold you near*

*Never, never
be afraid to die,
For I am waiting
for you in the sky*
