“ Sending love, hugs, and prayers to Mrs Velma, Vel and Family! Bobby and Cheryl were very protective of Vel when we were elementary classmates! He was loving, stern and very intense with Vel and me about getting our educations! Witnessing Vel spending time with Cheryl at college encouraged me to attend!

Several degrees and study in three countries later, I thank Ms Velma, Vel, Cheryl and Bobby for your love, patience, encouragement, and opening your family and home up to the whole community while having the prettiest garden in the Projects!!!

Bobby now gets to enjoy God's beautiful garden in heaven like Ms. Velma always kept for EVERYONE in Moultrie! I am most positive that Bobby was a Change Agent to all who knew him nationally and abroad! Thanks to his wife and children for sharing him!
