To my beautiful sister, not only were you a beautiful person on the outside, but also on the inside. I'll never forget the kind words that you always told me about being your sister. You told me that sisters are a gift from God. Sisters are your friends. Sisters stay right by your side when the road twists and bends. Sisters never let you down. They always lend a hand. Sisters are the best example of leaving footprints in the sand. Sisters always love each other. Their love never goes away. Instead God makes it grow stronger everyday. Sisters may have fights sometimes, But they always stay together. No matter where your sister goes, she'll be in your heart forever. And may you rest in peace. Love you!

I will cherish my texts saved on my phone and pictures of her babies, she LOVED them dearly! She's healed and in such a better place now, but boy the tears that have flowed and laughs had at memories. Prayers for her family during this difficult time. “ *Rosa was a force to reckoned with when it came to her kids. She was beloved by all who had the privilege of having her as a teacher and worked with her. She had a way with people that made them feel loved and cared about. I am a better person for knowing RJ as I affectionately called her. Rest in peace my dear friend. I love you and will miss you.*
