“Footprints in the Sand

*One night I dreamed a dream.
As I was walking along the beach with my Lord.
Across the dark sky flashed scenes from my
life.*

*For each scene, I noticed two sets of footprints in the sand,
One belonging to me and one to my Lord.*

*After the last scene of my life flashed before me,
I looked back at the footprints in the sand.
I noticed that at many times along the path of my life,
especially at the very lowest and saddest times,
there was only one set of footprints.*

This really troubled me, so I asked the Lord about it.

*"Lord, you said once I decided to follow you,
You'd walk with me all the way.*

*But I noticed that during the saddest and most troublesome times of
my life,
there was only one set of footprints.*

*I don't understand why, when I needed You the most, You would
leave me."*

*He whispered, "My precious child, I love you and will never leave
you*

Never, ever, during your trials and testings.

*When you saw only one set of footprints,
It was then that I carried you."*
