“ My many condolences and prayers to the Welch Family. 1LT Welch was our Chemical Officer (Chemo) when we were assigned to HHC, 2-505th Parachute Infantry Regiment (PIR) at Ft Bragg circa 1998-2001. When we were deployed to Kosovo he was my workout buddy and roommate after I came to staff. He was my brother, and confidant during a difficult time, I'm sorry we didn't get a chance to reunite. Godspeed Brother and may you rest in heavenly peace. 🙏

“ Ebony and family. We just recently heard of Ty's passing. We are so very sorry. He was a great person with a personality that would make anyone smile. We loved sitting with him watching your basketball games. We are so very sorry. I am sure you have wonderful memories to carry with you. Curt, Sandy and Sydney Goldman

“ Just hearing of his passing, the Doylestown softball travel coaches want to say what a beautiful human being Ty was! He ALWAYS made us laugh and cared so much about his kids. He created a T-Shirt of all of his sayings which I still wear and makes me smile thinking of him every time I put it on. A great man who will be missed. Rest well our friend

“ Ty and I met, working on the JJOS program back in 2016. I have great memories of Ty, with his direct, but funny and respectful communication style. He had a unique way of getting the colleagues to move and get the job done, while maintaining an overall pleasant atmosphere to work in. Will always be looking back of those great times, in the US and when he came over to Belgium, with a smile on my face. Thank you so much Ty, and rest in peace.

*My deepest condolences to Ty's family and friends in these difficult times. May you all find comfort in all of those pleasant memories he has left us with...*
