“ *I told my Dad how much I enjoy his back porch and he told me Mr. Willie helped him build it long ago and that he worked with him at Green World Produce as a farmer with Ray Baron and truck driver. He said Mr. Willie was a wonderful, hard working and GOOD man and that he would like to see him again. This started my search to find that he had passed away. My Dad is Robert Baron and we're both very sorry for your loss of this precious soul! May God be with the ones he loved!!*
