“ I knew Ms Zezda since I was a little child when she worked for Dr Harrison. Even when I seen her as an adult in a store she would recognize me still. When I became a nurse, it was very important to me to always treat patients as you want to be treated. She WAS this statement! This was her truth. She always treated us with kindness, respect and love❤️ Fly high Ms Zezda. Praying for all your family, friends and past patients. You were truly a pioneer for nurses!!

“ To my dear sweet cousin's I am truly sorry for your loss. Our loss. I remember staying over and she would take us to our softball games, skating, and she made me my first cabbage patch doll!!! We would have so much fun crafting hair barrettes and all kinds of baking goods. She played such a huge role in my life when we would come to visit Moultrie. I love you all. Auntie Zeeda is going to be truly missed but never forgotten!
